# **Proposes Conference** On Disarmament Governor Shoup, of Colorado, announ-

Pres. Harding Has Approached Great Britain, France, Italy and Japan With View to Holding Discussion on the Question in Washington.

Washington, July 10,—President Harding has taken definite steps looking to a conference in Washington of the principal allied and associated powers to discuss limitation of armament.

He also has suggested to the interested regions that there he at the suggested.

nations that there be at the same time a discussion of the Pacific and Far Eastern problems with a view to reaching a common understanding with respects to principles and politics in the far east."

Hartzell.

Most of the injured were taken to the Glendale hospital, where it was reported two hard office nearby also was used as an emergency hospital, where it was reported to the upper part of Moundsville and comprises an area of about ten acres.

It was originally planned for neivate.

Dunton that is, Great Britain, France, Italy and Japan to ascertain whether it would be agreeable to them to take part in a conference on this subject to be held in Washington at a time to be mutually agreed upon. If the proposal is found to be acceptable, formal invitations for such a conference will be issued. such a conference will be issued.
"It is manifest that the question of limitation of armaments has a close relation to Pacific and Far Eastern problems and the president has suggested that the powers especially interested in these problems should undertake in connection with this conference, the consideration of all matters bearing upon their solution, with a view to reaching a common understanding with respect to principles and policy in the Far East. This has been communicated to the pow-

ers concerned and China has also been invited to take part in the discussion relating to far eastern problems."

The department's statement was made public without comment and the fact that the president had suggested to the interested nations a joint discussion of the far eastern and Pacific problems came as something of a surprise in Washington. The department's statement did not make clear what nations had been approached on these particular suben approached on these particular sub-ets, but aside from China, which was secifically named, it was assumed that

# P. U. Denies Eleven **Jitney Applications**

New Haven and Bridgeport Applicants Hard Hit by Commission's Decision-Waterbury Men May Operate to New Haven Via Bethany.

Hartford, July 10.-Eleven applicaions for permission to operate jitney ous lines are denied and three applications are granted in decisions announced tonight by the public utilities commission

of Connecticut. Permission is granted the Waterbury jitneys and taxis, inc., to operate a bus line between Waterbury and New Haline between Waterbury and New La-wen, via Bethany. There were seven-teen petitions for this route, the petition-ers combining and asking for one certi-ficate in the name of the corporation. Permission is granted for the opera-tion of buses between North Branford and New Haven, the certificate being is-sued to John J. Woods. Authorization also is given for the operation of three jitney buses on Orange street, New Ha-ven.

ilitery busses on Orange altests.

Application to operate busses between a Bridgeport and New Haven is denied. The commission says the general route has adequate railroad and trolley service, except between Devon and New Haen, via Allingtown. There was no application for such a route.

Other jitney route applications denied by the commission are:

New Haven to Waterbury, via Derby; New Haven to Derby; New Haven to Clinton; New Haven to Branford; New Haven to Saybrook, Chester and Middletown (eight petitions); New Haven to Hartford; New Haven to Savin Rock; Dixwell avenue, New Haven, to Winchester avenue, New Haven. New Haven.

## CONN. CO. TO OPEN JITNEY BUS LINE

New Haven, July 10.—The Connecticut company's first jitney bus line is to be opened on a route between East Haven and Brandford said President L. S. Storrs, of the Connecticut company tonight. Suggestion for such a jitney line was made by the public utilities commission tonight in its decision denying permission for the operation of jitney busses between New Haven and Branford. The commission said part of the New Haven-Branford route is adequately served by the Connecticut company trolleys and recommended the company jitney busses in connection with the jitney busses in connection wi troileys to care for Branford. with the
